

Ed and Alexis Abel:

Happy 77th Birthday, Aryae! ... What a great idea to share about personal acts of "senseless love" in a virtual birthday celebration... so appropriate for 2020....

When you asked for sharing of "Senseless Love Stories" what came to mind first is the wonderful occasion to share the greatest act of "Senseless Love" in history. Incredibly, the Creator of the Universe gave all people the amazing opportunity to come close to Him through His most sacrificial act of kindness and love as expressed in the verses, "For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life. For God did not send His Son into the world to condemn the world, but to save the world through Him." (John 3:16-17).

Though you may choose not to share this with the group, it is the best birthday gift of hope and eternal life (i.e., "endless birthdays"!!!) that we can offer you. We do indeed wish you a very happy birthday.

Your neighbors and friends,

Ed & Alexis
